Judge Mullowny said this morning that he would have a conference with Judge sliddleton to determine who would take the United States branch of Police Court vacated by Judge Kimball revailed in the past of alternating in the United States and District of Co-umbia branches of the court each year

Assistant District Attorney Given sale this morning: "We are sorry to see who can think soundly and who know im for his honesty and integrity," Judge Kimball was appointed by Pres-dent Harrison in 1891, and took office in March of that year. Lacking about two months, he has been hearing and deternining cases for nineteen years.

Judge Kimball, among the policemen Judge Rimbail, among the policemen, has been the most popular judge ever on the Police Court bench. He has tried thousands of minor cases which the bluecoats have brought into court every year, and the policemen have won his r indidence and he has won their admiration. He is a firm believer in the integrity of policemen in general, and Washington policemen in particular. Earnest In Every Case.

While he has always proceeded on the assumption that "the prisoner is inno-FOR MANY MONTHS cent until proved guilty," he has assumed, too, that unless enmity or cause Liquidation of Last Few Weeks vas shown or intimated, the police man would not make an arrest unles there was some cause. to get at the truth in all cases brought before him, and his keen insight and indefatigable questioning have usually brought results. Convinced that the law had been violated, he considered the punishment of a line or sentence the necessary outcome. Judge Kimball is one of the leading temperance workers in Washington, and ntoxicated perrons nave been shown little regard at his hands. Some of his whisky decisions have rivaled the decision of the President which settled the much mooted question, "what is whisky?"
